This document sets out the terms that apply to unsecured personal loans offered by Nile Horizon Bank. It applies to all new loans signed on or after the effective date.

1. Eligibility

Applicants must be at least 21 years old at application and no older than 60 at loan maturity. Self-employed applicants may be up to 65 at maturity.

The minimum net monthly income is EGP 6,000. Salaried applicants must have at least 6 months in their current employment, and self-employed applicants must show at least 12 months of trading history.

Applicants must be Egyptian nationals or residents holding a valid residency permit.

2. Loan Amount and Tenor

The minimum loan amount is EGP 10,000 and the maximum is EGP 1,000,000. The tenor ranges from 12 months to 60 months.

The total monthly debt payments of the applicant, including the new installment, must not exceed 40% of net monthly income. This is the debt burden ratio.

3. Pricing and Fees

The interest rate is fixed for the life of the loan and is calculated on the reducing balance.

Customer type	Annual rate	Admin fee
Salary transfer customers	19.5%	1% of loan amount
Other customers	21.5%	1% of loan amount

The administration fee is 1% of the approved loan amount, with a minimum of EGP 500 and a maximum of EGP 5,000. It is deducted from the loan proceeds at disbursement.

Life insurance is mandatory. The premium is 0.4% per year of the outstanding principal and is collected with each installment.

4. Repayment

Installments are collected monthly by direct debit from the customer's account on a due date chosen by the customer between the 1st and the 28th of the month.

If the due date falls on a weekend or public holiday, the installment is collected on the next business day without penalty.

5. Early Repayment

Customers may repay the loan early in part or in full. The customer must submit the request at least 5 business days before the intended payment date.

An early repayment fee of 2% of the outstanding principal applies if the repayment is made within the first 24 months of the loan. No early repayment fee applies after 24 months.

6. Late Payment and Default

A late payment penalty of 1.5% per month is charged on the overdue installment amount until it is paid.

If an installment remains unpaid for more than 90 days, the loan is classified as non-performing, transferred to the Collections department, and reported to the credit bureau.
